A LITTLE CHANGE CAN CHANGE A LOT

UCEMC Cares, Inc. is a state-chartered, nonprofit corporation separate from Upper Cumberland Electric Membership Corporation (UCEMC). UCEMC Cares is powered by members who choose to round up their monthly electric bill to the nearest dollar. That extra change is small, often just pennies, but together it enables us to support local nonprofit organizations. Join us today and help make a difference.

1000+

100%

Every penny of the money raised goes to help local organizations, not to overhead costs.

\$2.27

MILLION
Since 2014, UCEMC Cares has given over \$2.27 million locally.

HOW IT WORKS

UCEMC Cares is an easy way to make a real difference in your community. Members choose to have their monthly electric bills rounded up to the next whole dollar amount. For example, if your electric bill is \$149.75, it rounds up to \$150.00. The additional 25 cents is set aside for worthy causes. This donation shows up as a separate line item on your electric bill.

Each month, you can see the list of grant recipients on our website <https://www.ucemc.com/this-month-s-ucemc-cares-grant-recipients/>

SPOTLIGHT

A UCEMC Cares grant helped provide fire blankets for every fourth grader who attended Progressive Ag Safety Day in Overton County. Soon after, a student named Kennedi used that fire blanket to help contain a small car fire until firefighters arrived. That is the impact of members choosing to round up.
